

GOJO INNOVATION

Always Within Reach

CARRY

Carry a full portfolio of systems wherever you go.

New Feature:

More dispensing systems, including the latest dispensing innovation.

SHOW

Show systems in a customer's environment.

New Feature:

Save to your phone's Photo Library so you can use photos outside of the app.

SHARE

Email system snapshots and related literature to customers.

New Feature:

Share History menu shows you what you've shared, and allows you to easily follow up.

GOJO® Virtual System Mobile App

Customize dispensers on-the-go through color, design patterns and logos.
