**Innovative!
Cost-Effective!
Sustainable Cleaning Systems!**

GenEon solutions are a safer and more sustainable alternative to traditional chemical products and are comprised of just natural minerals, water and energy – an ideal solution for healthier environments.

Mist Fogger/Blower.

The GenEon Mist is ideal for large open areas and is perfect for spraying and cleaning bathrooms, classrooms, walk-in freezers, hotel rooms, medical facilities, ambulances and other hard to reach places. The compact design allows for ease of use.

The Mist combined with solutions from one of GenEon's on-site generator makes it the perfect system to help you create a cleaner, healthier and safer environment.

The *MIST* combined with solutions from GenEon's Trio Rx as a *Fast Responder* tool to eliminate pathogen in large areas Proven effective in schools and universities.

Trio Rx.

For Generating Hi-Grade Cleaning, Sanitizing & Disinfecting Solutions

Solutions from GenEon

Technologies' Trio Rx allow users to generate the right solution – from a Sanitizer to an Ultra-High Hospital Grade Disinfectant. The flexible table-top Trio Rx generates sanitizer/disinfectant without toxicity and without breaking the bank and at the same time create solution to eliminate hard to kill spores, bacteria, viruses, odors and much more!

TRIO™ Maxx.

Solutions from GenEon Technologies' TRIO Maxx allow users to generate the right solution for the job every-time. Portable TRIO Maxx can be set up as a table-top unit in a central location; or taken on-site depending on the user's needs. The TRIO Maxx generates solutions for cleaning, degreasing, and sanitizing/disinfecting without toxicity and without breaking the bank.

Why the Trio Maxx:

Portable Table-Top

Makes up to ½ gallon of solution at a time

Truly sustainable solutions

Reduces cost

Increases safety for staff and guest

Creates GenEon Sanitizing, Cleaning and Degreasing Solutions

Solutions will quickly and effectively destroy harmful germs

Low to NO VOC

Eliminates need for storing large amounts of chemicals

The flexible InstaFlow can be either wall or cart mounted depending on the user's need. It also eliminates the need for dilution and for having staff mix or work around harmful chemicals. GenEon's InstaFlow can support a wide variety of industries including: Janitorial, Environmental Service, Veterinary, Food Service, Medical/Healthcare, Commercial Food Production, Dairy Production, Hospitality/Lodging/Cruise Ships and many more.

Why the InstaFlow:

- Reduces cost
- Increases safety for staff and guests
- Quickly and effectively destroys harmful germs
- Intuitive controls
- Eliminates need for storing large amounts of chemicals
- Configurable for large volume users

Immerse-A-Clean.

For Generating Hi-Grade Cleaning,
Degreasing, Sanitizing &
Disinfecting Solutions

The 'truly' flexible Immerse-A-Clean can be wall mounted, connected to your scrubber or extractor or even used in remote areas in places with no electrical or access to running water. The Immerse-A-Clean generates solutions for cleaning, degreasing, and sanitizing/disinfecting without toxicity and without breaking the bank. The Immerse-A-Clean can truly be used anytime and anywhere whether it's connected to a power outlet or running off of its internal battery.

Why the Immerse-A-Clean:

- Portable
- Does not require:
 - Electrical
 - Plumbing
- Increases safety for staff and guests
- Sanitizing/Disinfecting Solutions will quickly and effectively destroy harmful germs
- Low to NO VOC
- Eliminates need for storing large amounts of chemicals
- Configurable for large volume users
