WAXIE Inventory Centers

WAXIE Sanitary Supply's Inventory Centers are strategically located throughout the Western United States. Each Inventory Center carries a full supply of sanitary products and equipment to quickly and efficiently meet your sanitary maintenance needs. Additionally, WAXIE has vast resources to vendors that can supply us with products to assist you with many other product needs that you may have. Just ask – we will do our best to assist with specialty items not shown in our current product offering.

Each modern, clean Inventory Center also has a showroom and Customer Service Center to help you determine which product is best for you and to provide ordering assistance.

As the true single source for all your maintenance requirements, you can depend on WAXIE's knowledgeable sales consultants, high-quality and effective products, equipment and procedural training, friendly customer service representatives, and total inventory management to minimize costs, simplify logistics, eliminate hassles, and maximize your satisfaction.
