Dispenser System  
*Designed for everyone. Built for you.*

Introducing  
the **mod**<sup>\*</sup> Dispenser System

*Designed for everyone. Built for you.*

The promise is simple: deliver a customized washroom experience to everyone. Nurses caring for patients, employees in office buildings, factory workers on break and fans cheering on their team have exactly what they need, when they need it.

It's modern.  
It's modular.  
It's from KIMBERLY-CLARK PROFESSIONAL<sup>\*</sup>.

This is the **mod**<sup>\*</sup> Dispenser System.

## The Choice is Yours. It's as Simple as That.

MOD\* Dispenser Systems are designed to be what you want, when you want it, wherever you want it. Innovative internal dispensing modules plug and play to give you the flexibility to build a dispenser customized to meet your requirements. Today, and tomorrow. So as your needs change, your MOD\* Dispenser System changes with them. All without the hassle of taking down one machine and installing another.

## They Say Image is Everything. We Say Performance Helps, Too.

The MOD\* Dispenser System is sleek. It's hip. It's very now and very wow. Its modern design is matched with modular flexibility. It also combines touchless technology with the bacteria-reducing benefits of drying with paper towels. The MOD\* Dispenser System is quieter than enMotion® and Tork Intuition systems. And it features a versatile skin care dispenser designed to take hand

hygiene to another level. It's why the MOD\* System isn't just cool, it also captures The Healthy Workplace Project\* commitment to promote better hygiene.

**THE  
Healthy  
WORKPLACE  
PROJECT\***

Packed with Innovation. And Towels.

MOD\* Dispenser Systems deliver the highest capacity around and include a stub roll feature that reduces waste and cost. So whether it's 1,150 feet of SCOTT® Brand hard roll towels or 700 feet of KLEENEX® Brand hard roll towels, that means fewer change outs and more satisfied users. The MOD\* System is also packed with power. The NG-Series "power assist" setting offers the longest battery life – 4 times longer than the enMotion® dispenser.

***NG-Series:** Designed to deliver a better experience and consumption control for customers in office buildings and high-traffic facilities. The patent-pending SMART CONTROL\* Dispensing Technology features two delivery options — pre-cut and power-assist. Towel delay settings not only control usage, but allow for faster or slower dispensing depending on the restroom traffic needs. The NG-Series is the next generation in touchless dispensing, offering the longest battery life in the industry.*

***E-Series:** Electronic motion-activated dispensing with the option for an unexposed sheet, making it ideal for healthcare facilities.*

***M-Series:** Controlled manual delivery offers the hygiene of touchless dispensing without the batteries.*

Patent-Pending NG-Series Module

Better for Your Business. And the Planet.

The exterior of the MOD\* System can change from black to white to stainless, but it's all green inside. As part of the KIMBERLY-CLARK PROFESSIONAL\* Reduce Today, Respect Tomorrow\* program, we strive to design products that reduce consumption across the whole product lifecycle-the new MOD\* Dispenser System was designed with those principles in mind.

KLEENEX® Brand and SCOTT® Brand towels are FSC and EcoLogo® certified and meet the EPA standards for minimum post consumer waste content.

KLEENEX® Brand towels contain 20% bamboo, making them the first towel in the industry to contain non-tree fiber.

KLEENEX® Brand and SCOTT® Brand towels are designed with patented ABSORBENCY POCKETS\*, so users need fewer towels to dry their hands. The result: more towels left in the dispenser, more time between refills, less paper waste and, in many cases, less cost for your business.

#### Our Guarantee

Your total satisfaction means everything to us. If, for any reason, our products do not meet your expectations, Kimberly-Clark will reimburse you† for your initial purchase, via FREE product, for up to \$1,000. For more information on KIMBERLY-CLARK PROFESSIONAL\*, visit us online at [www.kcprofessional.com](http://www.kcprofessional.com), contact your Kimberly-Clark Sales Representative, or call us at 1-888-346-GOKC (4652). † Guarantee extended to consuming end-user accounts only.

Kimberly-Clark warrants that its products (1) comply with K-C's standard specifications as of the delivery date to K-C's authorized distributors/direct purchasers except for auto darkening filters which shall be warranted for two years from date of end user purchase (verified by valid sales receipt) and powered air purifying respirators which shall be warranted for one year from date of end user purchase (verified by valid sales receipt); (2) comply with all K-C labeling representations; and (3) are manufactured in compliance with all applicable federal, state, and local laws in effect at the time and place of manufacture of the products. **THIS WARRANTY IS IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.** K-C is not liable for any kind of special, incidental, or consequential damages. K-C's liability for breach of contract, tort or other cause of action shall not exceed the product purchase price. Purchasers and users are deemed to have accepted the above warranty and limitation of liability, and cannot change the terms by verbal agreement or by any writing not signed by K-C. To the extent required by applicable law, K-C does not limit its liability for death/injury resulting from K-C's negligence.
