BY WAXIE®

Floor Pads

All KleenLine Floor Pads by WAXIE are manufactured to the highest quality standards to provide consistent performance and excellent results for all your floor maintenance needs. They are designed to do the job right the first time, every time whether it be for stripping, scrubbing, cleaning or burnishing. KleenLine Floor Pads are value priced to keep costs down without compromising quality.

KleenLine Black Stripping Pad

Conventional speed 175-600 RPM. Used for stripping finish, dirt & buildup from floors.

KleenLine High Performance Stripping Pad

Conventional speed 175-600 RPM. Quickly and thoroughly removes old finish, dirt and buildup. The unique open web design allows the stripping solution to flow through pad to rinse out dirt and reduce loading for increased pad to floor contact and more efficient stripping. Designed for heavy finish buildup, quick stripping and stain removal.

KleenLine Red Buffing Pad

Conventional speed 175-600 RPM. For light scrubbing, cleans without dulling floor finish. Also designed to be used for spray buffing. Cleans when damp, buffs when dry. Quickly cleans and removes scuff marks while polishing floors to a high gloss.

KleenLine Blue Cleaning Pad

Conventional speed 175-600 RPM. Used for heavy-duty scrubbing prior to recoating. Removes dirt, spills and scuffs, leaving a clean surface ready for recoating.

KleenLine White Polishing Pad

Conventional speed 175-1000 RPM. Use to buff very soft finishes or use for polishing soft waxes on wood floors.

KleenLine Tan Burnishing Pad

Ultra high speed 1500 RPM and above. For use on harder finished or in high traffic areas. Produces brilliant "wet look" gloss. Exceptional durability and life. Best for scratch and scuff removal.
