EFFICIENT

DURABLE

POWERFUL

Optional carpet clamp for thorough drying of padding and subfloors.

Advantages

Base Model – #571782 / XP Model – #571784

- Powerful 2200 CFM (max) dries carpets and subfloors quickly and completely.
- Efficient motor technology results in low amp draw without sacrificing air flow.
- Isolation motor mounts reduce noise and vibration during operation.
- Innovative interior housing design produces higher CFM with reduced noise levels.
- Vertically stackable for convenient storage.
- 30' power cord extends access to hard-to-reach areas.
- Non-marking foot bumpers ensure stability during use.
- The XP features soft-ride wheels and retractable handle for easy transporting.
- Quiet motor assembly allows for operation during business hours without disrupting building occupants.

Warranty*

3 years on parts, labor and motor.
Lifetime on molded housing.

*See owner's manual for complete warranty details
