# AccuFit® Can Liners

Stretch over containers for a snug fit—no need to tie knots

## Low Density AccuFit

WAXIE #	Gallon Capacity	Gauge	Color	Case Pack	Size
708146	23 Gal	.90 Mil	Blk	8/25 Rolls	28 x 45
708140	32 Gal	.90 Mil	Blk	5/20 Rolls	33 x 44
708141	44 Gal	.90 Mil	Blk	5/20 Rolls	37 x 50
708142	55 Gal	1.3 Mil	Blk	5/20 Rolls	40 x 53

## High Density AccuFit

High density bags made with even less plastic than low density. Provides additional source reduction and cost savings. Designed for lighter trash such as restroom paper towels, etc.

WAXIE #	Gallon Capacity	Gauge	Color	Case Pack	Size
700108	23 Gal	14 MIC	NATURAL	10/25 Rolls	29 x 45
700109	32 Gal	16 MIC	NATURAL	10/20 Rolls	33 x 44

## Why AccuFit®?

**New Research. New sizes. New Savings.** It's all too common to find the wrong size bag in a trash container. Over-sized bags cost you money and waste plastic. Under-sized bags simply fall into the can and create messes. After careful research and testing, we have developed sizes that perfectly match the most common containers. Now there's no more guessing, no more wasted money, and no more wasted plastic.

**Made of HAO Super Hexene Resin!**
