

CLEAN & SOFT

WAXIE Brands

CLEAN & SOFT™

Clean & Soft | Quality & Versatility

A great combination of quality and price with the consistent performance you've come to expect from all WAXIE products.

WAXIE Select | Luxurious Softness

Individual bath tissue and facial tissue in attractive amenity packaging.

WAXIE-Green | Sustainably Savvy

A combination of performance, price, health, and safety along with a more sustainable profile.

KleenLine | Cost Efficient Cleanliness

100% recycled bath tissue and multifold towels for universal dispensing systems.

WAXIE has solutions for all of your large and small paper needs. How can our products work for you?

Building Service Contractors | WAXIE's Clean & Soft™ No-Touch Roll Towel System adapts to existing stainless steel fixtures for the cost savings that comes from switching from folded towels to controlled roll towels. The Small Core product line includes adapters that easily fit existing recessed partition fixtures for additional cost savings compared to standard roll tissues. If you are looking for LEED certification, WAXIE-Green is a more sustainable choice and our Kleenline brand is 100% recycled with 75% PCW at an affordable price.

Education | Keep students, teachers, and parents clean and healthy with customized solutions and controlled dispensing of cost effective and environmentally preferable products. Clean & Soft™ No-Touch Towel Systems offer high traffic solutions in addition to sanitary "No Touch" dispensers to prevent the spread of contagious diseases. Clean & Soft™ Super Roll and Super MAX systems have high capacity tissue delivery that prevent tissue outages and offer additional cost savings, and WAXIE-Green offers the Green Seal certification requirements required by many school systems.

Hospitality | Provide attractive and environmentally responsible amenities to occupants and staff. WAXIE Select provides exceptional quality luxury bath tissue, as well as cube or flat box facial tissues with a very attractive design that will appeal to customers. WAXIE Select is FSC certified, which guarantees that the paper has been sourced from more responsibly managed forests.

Healthcare | Ensure staff and patient comfort and safety while maintaining a budget, reducing HAI's and improving outcomes. Clean & Soft™ Hands Free No Touch Towel Systems is a solution for reduction in cross contamination of communicable diseases.

Government | Establish a healthy, high performing building at the lowest cost. Clean & Soft™ No-Touch Towels offer cost savings over traditional folded towels. Super Roll, Super MAX and Small Core tissues can be used for high capacity applications to prevent run-out while adding cost savings. WAXIE-Green meets or exceeds government environmental requirements with Green Seal certification.

Industrial/Manufacturing | Our KleenLine brand offers every day low priced towels and tissue. They are made from 100% recycled material with a minimum of 75% post consumer waste. Super Roll and Super MAX offer high capacity dispensed tissue for high volume restrooms.

Commercial Real Estate | Waste reduction can be achieved by switching from folded towels to controlled roll towels. Clean & Soft™ No-Touch Roll Towel Systems adapt to existing stainless steel fixtures and help reduce waste, which translates to cost savings. WAXIE's Small Core product line also offer adapters to fit existing recessed partition fixtures for additional cost savings vs standard roll tissues.

Foodservice | Clean & Soft™ and WAXIE-Green No-Touch Towel Systems provide sanitary usage and reduce cross contamination. Clean & Soft™ Napkins ensure guest comfort and cleanliness.

CLEAN & SOFT™

WAXIE Brands

CLEAN & SOFT™

Our **CLEAN & SOFT™** line provides a combination of **quality** and **price** with the consistent **performance** you've come to expect from all **WAXIE** products. Our full line of excellent towel and tissue products provides **luxurious softness** and coordinated **decorator packaging**. The line includes Standard Roll Bath Tissue (2-ply and 1-ply), Jumbo Roll Bath Tissue (9" and 12" diameter), Super MAX Bath Tissue, Multifold Towels, Universal Roll Towels (both white and natural), Facial Tissue, No-Touch Towels and Super Roll Bath Tissue, Small Core Bath Tissue, Centerpull Towels, and Kitchen Roll Towels.

Our full line of towel and tissue dispensing products feature **easy loading** and **labor saving** benefits. The locked and **secured cabinets** help **prevent waste** and pilferage, while the transparent covers show the status of the roll at a glance. The continuous paper flow technology eliminates stub roll waste. The line includes No-Touch, Quick Touch, Manual, Centerpull, Super Roll, Super MAX, Jumbo Roll and Small Core Tissue Dispensers.

WAXIE Select

New Premium Bath & Facial Tissue

WAXIE Select is a brand new line of premium quality bath and facial tissues offered by WAXIE. Meant to bring the comforts of home to away-from-home settings, these tissues are perfect for:

- Boutique hotels
- Fine dining establishments
- Executive offices
- Or wherever you'd like an extra touch of softness!

The attractive cool-toned packaging is fresh, modern and appealing — making it a perfect fit for any room and bathroom décor. Great as part of any amenities package or by itself.

WAXIE Brands

High quality WAXIE-Green products incorporate the latest technology in order to deliver superior results, and include products that have been certified by third-party ecolabels. WAXIE-Green products offer a compelling combination of performance, price, health and safety, along with a more sustainable profile.

100% Recycled Paper – Green Seal™ Certified

- 65% post-consumer recycled content
- 35% post-industrial recycled content
- Exceeds EPA Comprehensive Procurement Guidelines for post-consumer recycled content
- Processed chlorine free

Packaging

- Boxes 40–45% percent recycled content
- Wraps 75–100% percent recycled content
- Cores 100% percent recycled content
- Environmentally preferable dyes and inks

KLEENLINE™

BY WAXIE®

All KleenLine™ Paper Products:

- Made from 100% recycled paper collected in the Western United States
- Meets Green Seal's environmental standard for sanitary paper products
- FSC Certified verifying that it has been sourced from more responsibly managed forests
- Meets the EPA Comprehensive Procurement Guidelines (EPA CPG) for post-consumer recycled content
- Meets the requirements of the Leadership in Energy & Environmental Design Existing Building: Operations & Maintenance (LEED® EB:OM) Green Building Rating System
- Minimum 75% Post-Consumer Waste (PCW)
- Manufactured Processed Chlorine Free (PCF)
- Fits a wide range of universal product dispensers
- Perfect for schools & universities, office buildings, airports, hotels, healthcare facilities, and any other place that has restrooms!
- Combination of quality, economy and a more sustainable profile

Roll Towels & Dispensers

Clean & Soft Electronic No-Touch System Dispenser

Towels are automatically dispensed smoothly and quietly. Adjustable dispensing from 9", 12" & 15" lengths. 1, 2, and 3 second delay between towel delivery. Paper saver mode deducts 2.5" or 5" from second towel. Automatic stub roll transfer reduces waste. Battery life can exceed 36,000 hand dries in high volume applications with 4 "D" alkaline batteries.

850554

10.5"Wx15.75"Hx8.75"D

ADA Compliant
Waste Reduction

Uses the following towels:
850555, 850556,
850075, 850079, 850598

Clean & Soft Quick Touch Roll Towel System Dispenser

This dispenser is fabricated in break and chemical resistant plastic, loads easily, and can be customized to optimize performance and grade of paper. Press anywhere on the cover to dispense towels. Custom stroke length is available.

850640

11.2"Wx12.7"Hx9.5"D

ADA Compliant
Waste Reduction

Uses the following towels:
850555, 850556,
850075, 850079, 850598

Clean & Soft No-Touch Manual Towel System Dispenser, Black

This hygienic, touchless dispenser is water resistant and locks to prevent pilferage. Automatic stub roll transfer reduces waste as it dispenses a 12" towel per pull.

850593

12.25"Wx15.5"Hx9.5"D

ADA Compliant
Waste Reduction

Uses the following towels:
850555, 850556,
850075, 850079, 850598

WAXIE Electronic Hands Free Roll Towel Universal Dispenser

Towels are automatically dispensed smoothly and quietly in 12" lengths (10" and 14" available as an option). Battery life can exceed 36,000 hand dries in high volume applications with 4 "D" alkaline batteries. Transparent smoky color cover.

850633

10.5"Wx15.75"Hx8.75"D

ADA Compliant
Waste Reduction

Uses the following towels:
850572, 850573, 850636

WAXIE Quick Touch Roll Towel Universal Dispenser

This dispenser is fabricated in break and chemical resistant plastic, loads easily, and can be customized to optimize performance and grade of paper. Press anywhere on the cover to dispense towels. Custom stroke length is available.

850631

11.8"Wx15.2"Hx9.8"D

ADA Compliant
Waste Reduction

Uses the following towels:
850572, 850573, 850636

Clean & Soft Centerpull Universal Dispenser

Hygienic, no-touch dispensing. Adjustable to ensure no multiple-sheet dispensing. Compact and fully enclosed to keep paper clean and dry. Transparent cover to view roll status. Easy-to-load and lock dispenser is constructed from tough polycarbonate and ABS.

850877

10"Wx14"Hx9.5"D

ADA Compliant
Waste Reduction

Uses the following towel:
850878

Bath Tissue & Dispensers

WAXIE Small Core Tissue System Dispenser

Accommodates 2 rolls of 1,000 or 1,500 sheets. 2-ply tissue. Complete consumption of first roll, before accessing second roll. Easy loading and fully enclosed for maximum hygiene. Continuous paper flow eliminates stub roll waste. Transparent cover shows roll status at a glance. Locking hinged cover eliminates pilferage. Made of tough polycarbonate and ABS construction. Vandal-proof, break resistant, chemical resistant and flame resistant.

851312

13"Wx8.25"Hx5.25"D

ADA Compliant
Waste Reduction

Uses the following tissues:
851247, 851310, 851311

Clean & Soft Super Roll Tissue System Dispenser

Holds one 10", 1,500-foot, 2-ply roll of tissue plus up to a 200-foot stub roll. Unique stub roll holder allows complete use of roll before the new roll is started, no waste dispensing. Vandal-resistant design. Center rotating knob provides easy access to new roll. Locking cabinet prevents pilferage.

851158

11.5"Wx15.75"Hx6.25"D

ADA Compliant
Waste Reduction

Uses the following tissues:
851151, 851157

Clean & Soft Super MAX Single System Dispenser

The Super MAX Single Dispenser is an excellent space-saving solution for jumbo roll dispensing. The proprietary spindle is for Super MAX tissue only and holds one full roll of 2-ply, 1,500 foot tissue. The clear view window lets you easily see paper status, and the dispenser features a push button on top for easy opening, and dual locks to help prevent thefts.

855807

10.5"Wx11.25"Hx5.8"D

ADA Compliant
Waste Reduction

Uses the following tissues:
855805

Clean & Soft Super MAX Double System Dispenser With Stub Roll

The Super MAX Double Dispenser holds one full roll of 2-ply, 1,500 foot tissue. The stub roll holds up to 500' and must be depleted before gaining access to a new roll. The proprietary spindle is for Super MAX tissue only and the clear view window lets you easily see paper status. The dispenser features a push button on top for easy opening, and dual locks to help prevent thefts.

855806

13"Wx17"Hx5.25"D

ADA Compliant
Waste Reduction

Uses the following tissues:
855805

Clean & Soft Twin 9" Jumbo Roll Tissue System Dispenser

Accommodates 9" diameter rolls with minimum 3" core diameter. The Twin Jumbo Roll Tissue Dispenser features a sliding door to prevent access to spare roll before the first roll is depleted.

851143

20.25"Wx11.75"Hx5.375"D

ADA Compliant
Waste Reduction

Uses the following tissues:
851177, 851308

Controlled Dispensing Systems vs. Universal Products

Controlled Dispensing Systems vs. Universal Products: What's the difference?

Controlled Dispensing Systems

Reduce your startup cost with low-to-no-cost dispensers provided by WAXIE!

Our latest technology dispensers may also include installation, repairs or replacement*. The Controlled Dispensing Systems use WAXIE products and allow you to choose sheet length, delay between dispenses, and a 'second' towel option that is shorter than the first. In addition to cost of paper savings, these high capacity dispensers require less time and labor for refilling. Papers options include white, brown, virgin pulp, EPA compliant, FSC and Green Seal certified in a variety of sizes.

Universal Products

WAXIE offers attractive universal dispensers that are a one-size-fits-all solution for standard type and size papers.

After the initial dispenser purchase a customer can choose the brand, type and size of paper they would like to use. Options include virgin pulp, FSC certified, EPA compliant or Green Seal certified universal towels and tissues in many different lengths such as 96', 80' or 60' roll bath tissue and 600' or 800' towels.

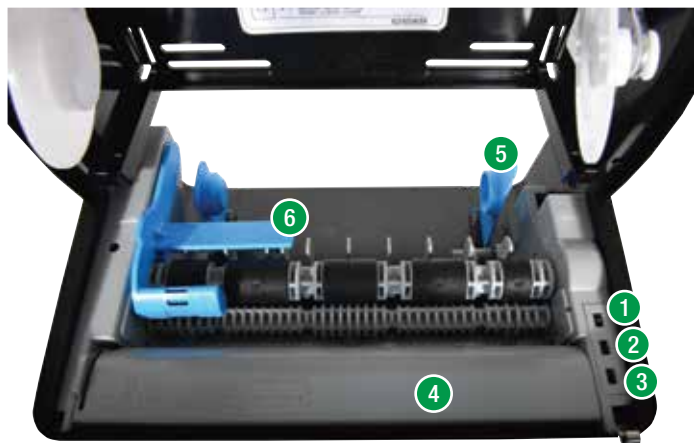

**Please contact your Account Consultant for more information on installation, repairs and replacement.*

CLEAN & SOFT™

Electronic No-Touch System Dispenser

850554

- 1 Paper Dispensing Modes: Max savings, normal & minimum savings
- 2 Dispense Delay: 3, 2 and 1 second sheet delay
- 3 Paper Length: 15", 12" and 9"
- 4 Batteries: In the front for easy access
- 5 Stub Roll: Holds 900'
- 6 Transfer Bar: Eliminates double feeding of towel from stub roll

Additional Features:

Option for battery power or hard wiring
Low battery indicator light
Locking cabinet prevents pilferage

Uses the following towels:

What does 'green' mean?

WAXIE offers many products with more sustainable profiles, including UL Ecologo, Green Seal, FSC and EPA CPG.

UL ECOLOGO®

This product meets UL ECOLOGO's standard for sustainability for sanitary paper products based on environmental leadership and proven performance substantiated through lifecycle review.

GREEN SEAL™

This product meets Green Seal's environmental standard for sanitary paper products based on chlorine-free processing, energy and water efficiency, and high percentage of recovered material and post-consumer recycled content.

FOREST STEWARDSHIP COUNCIL® (FSC®)

This product meets FSC chain-of-custody requirements verifying that it has been sourced from more responsibly managed forests.

EPA COMPREHENSIVE PROCUREMENT GUIDELINES (CPG)

Products contain recovered content in the categories of paper towels (40–60% post-consumer fiber content), bath tissue (20–60% post-consumer fiber) or facial tissue (10–15% post-consumer fiber) can help a facility reach its overall sustainability goals, and can potentially contribute to LEED O+M certification for the building or CIMS-GB certification for the cleaning service provider.
