

Clean Touch™ FOAM SOAP SYSTEMS by WAXIE®

Setting new standards for sensory appeal, sustainability and performance.

**BUILT-IN RELIABILITY
AND EASE OF SERVICING**

WAXIE®
SANITARY SUPPLY

DEPENDABLE & EASY TO SERVICE

Dependability is a proven feature of each new system. The Lifetime Performance Guarantee is your assurance of dependable, problem-free performance.

Easy to Recycle Durable, Recyclable Refills

Constructed of rugged PET material, the SMART-FLEX™ bottles are crystal clear and use **30% less** material than rigid HDPE bottles.

Easy Recyclability

Just remove the pump in a single step. The rest of the refill recycles easily.

Smart, Maintenance-Free Electronics

The talented engineering built into the WAXIE® Clean Touch™ LX Touch Free Dispensing System results in optimal energy use – and no battery changes in most installations. Batteries are included and pre-installed for easy maintenance.

Size Options

Choose from the 1200 mL and 1250 mL systems for high-volume needs, or the compact 700 mL dispensers when space is tight. All sizes are fully ADA compliant.

Easy Maintenance

The expanded view and clear refill bottles make it easy to know when to change the refill.

Dual Locking Options

LOCK OR NOT™ technology expands security choice. Open the cabinet via side latches, or by removing the key, make it a locking cabinet.

BOLD ADVANTAGES

The attractive new **WAXIE® Clean Touch™ LX Touch Free Dispensing System** and **WAXIE® Clean Touch™ Manual Dispensing System** offer smart customer advantages such as durability, ease of servicing and enhanced sustainability features. The large windows, clear refill bottles and bright, bold soap colors allow at-a-glance monitoring of content levels. Use with confidence – both of these soap and hand sanitizer systems are backed by a Lifetime Performance Guarantee.

Contamination-Free Product

Bulk soaps can become contaminated by bacteria from the environment. Our refills are **SANITARY SEALED™** at the factory to cut contamination risk.

Lasting Aesthetic Appeal

With patent pending **CONTROLLED COLLAPSE** technology, our refill bottles are engineered to keep their shape and appearance, and continue to look serviced even as they empty.

Foam Soaps with Sensory Appeal

These foam soap formulations are appealing to the eye, soothing to the touch and nourishing to the skin. Moisturizers, natural extracts and skin conditioners were added for an inviting

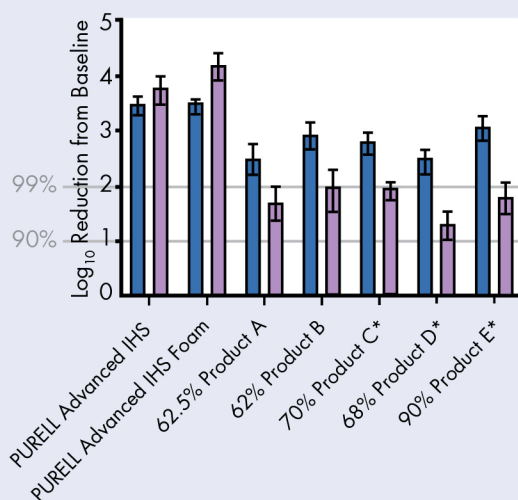

handwashing experience. The portfolio offers aromatic botanical scents as well as fragrance-free, dye-free and green certified formulations.

GREATER GERM KILLING POWER

Greater Germ Kill —

PURELL® Advanced Instant Hand Sanitizer vs.
Competitor Hand Sanitizers

■ Application One
■ Application Ten

Healthcare Personnel Handwash Study
#110103-101, April 5, 2011, and
#100907-101, January 6, 2011.
BioScience Laboratories, Bozeman, MT.

In this brochure, competitor product names have been masked. These alcohol-based hand rub products are identified as "Product A," etc. Though names are masked, the alcohol volume of each product is identified.

*All ethanol concentrations are reported as v/v in this chart, however the products which are asterisked report ethanol concentration as w/w on label.

PURELL® Advanced Instant Hand Sanitizer

Developed with 70% ethyl alcohol, PURELL® Advanced Instant Hand Sanitizer formulations contain a patent-pending blend of ingredients that do two things — **maximize the impact of alcohol on bacteria AND maintain skin moisture for optimal skin health.** Both the gel and foam formats outperform other hand sanitizers delivering the most powerful, advanced antimicrobial kill while moisturizing skin.

**Nothing is harder on germs
or easier on hands.**

ENHANCED EFFICACY IN SKIN-FRIENDLY FORMULATIONS

PURELL® ADX-7™ shown with white MESSENGER™ Dispenser Station, TRUE FIT™ Wall Plate, and SHIELD™ Floor & Wall Protector

PURELL® Advanced Instant Hand Sanitizer

- PURELL® Advanced Instant Hand Sanitizer formulations outperform other hand sanitizers ounce for ounce¹
- Proven to kill 99.99%² of germs *on hands*, not just in the lab
- Clinically proven effective in helping maintain skin health³ — skin moisture and skin feel
- Available in gel and foam formats

- This product meets EcoLogo® hand sanitizer standard for environmental leadership and proven performance.
