

# ECO-MATS

Quality plush surface wipes and dries shoes and grasps fine dust

Retains up to 20% more moisture than other standard wiper mats

Prevents floor deterioration and trip/fall hazards due to slippery floors

Easily maintained with regular vacuuming and hot water extraction

## DID YOU KNOW?

Entryway mats are the first defense against dirt, dust, pollen and other particulates entering a building. Utilizing the appropriate size entryway mat and developing the associated cleaning strategies to clean and maintain the matting and exterior walkways, is an excellent way to contribute to better indoor air quality and to keep the building cleaner.

Using an entryway matting system is promoted by the U.S. Green Building Council in the LEED® (Leadership in Energy and Environmental Design) Green Building Rating System and can potentially contribute to earning a credit.

For more information regarding LEED® requirements, visit the website: [www.usgbc.org](http://www.usgbc.org).

## ECO-MATS

### Help Preserve the Environment!

WAXIE-Green Eco-Mats are made from post-consumer P.E.T. plastic, which prevent bottles from entering landfills and preserves our natural resources.

1 sq. ft. = 4 bottles  
 4' x 6' = 96 bottles  
 6' x 60' = 1,440 bottles

#### WAXIE-Green Eco-Mats

Item #	Size		Color
231350	3'x5'		Charcoal
231353	4'x6'		Charcoal
231351	3'x5'		Granite
231354	4'x6'		Granite
231352	3'x5'		Walnut
231355	4'x6'		Walnut

#### Available – Special Order

Colors: Charcoal, Walnut, Granite, Midnight Blue

Mats: 2'x3', 3'x4', 3'x5', 3'x6', 3'x10', 4'x6', 4'x8', 4'x10'
