

Experience the Luxury of Foam with *Foam Soap*™

WAXIE®
SANITARY SUPPLY

A New Sensation in Your Hands

Get ready for a new experience in handwashing! This new system delivers hand soap in a foam form instead of the traditional liquid form. You will enjoy the luxurious, velvety feel of WAXIE's FoamSoap while being pampered with its pre-lathered richness.

We offer a family of rich, gentle foaming products along with a choice of dependable dispensers to meet your needs.

- Available in Pink Lotion FoamSoap (light cranberry fragrance), Antimicrobial FoamSoap (sweet pea fragrance) and Hair & Body FoamSoap (cucumber melon fragrance)
- Gentle on the skin
- Encourages good handwashing practices
- Available for general-purpose applications, healthcare, foodservice, and spa use
- Antibacterial foaming soap contains aloe, vitamin E and 0.3% Chloroxylenol to be soft on skin yet effective against germs
- You will prefer it over traditional soap

A Great Experience & More Washes

FoamSoap dispensers mix air into each formula to provide an amazing cleaning ability and a satisfying amount of lather with only one push. You will see and feel that a second push is not necessary.

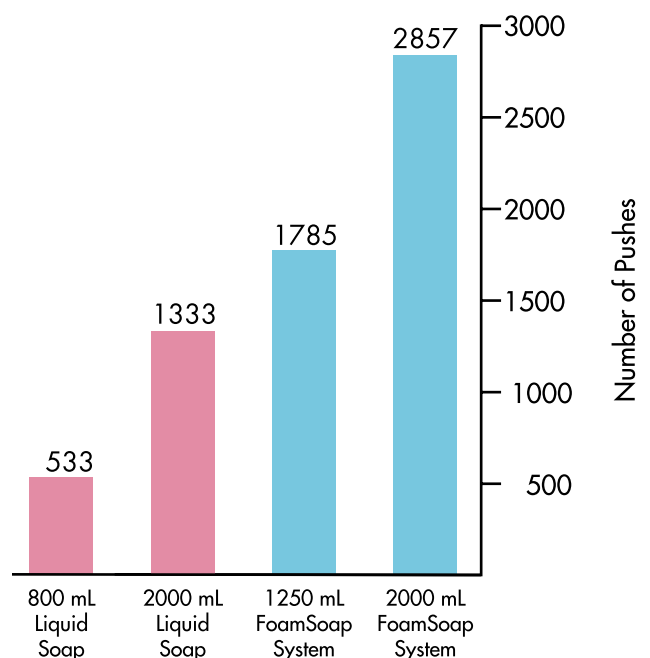

The WAXIE FoamSoap system will provide labor savings, since each refill contains many more hand washes than regular soap dispensers.

FoamSoap™ Products

Pink Lotion FoamSoap

Specially formulated liquid produces a generous portion of soft, gentle foam soap. Cleanses hands with a rich lather and a fresh fragrance.

Antimicrobial FoamSoap

Smooth foaming handwash with 0.3% Chloroxylenol germ-killing power in a light floral fragrance. One portion is all you need for an effective, yet luxurious, handwashing experience.

Hair & Body FoamSoap

Spa-quality foam body cleanser in a fresh cucumber melon scent. Enriched with vitamins and moisturizers.

Dispensers

The WAXIE FoamSoap dispenser mixes air with specially formulated liquid soap to produce a rich, creamy lather. One push of the ADA-compliant pushbar provides a generous portion of foam soap. A unique skylight makes product clearly visible through the extra-large site window, so it's easy to see when refills need to be changed. Dispenser cabinets may be installed with or without key-lock entry. The easy-to-load, collapsible, bottle-type refills are sanitary-sealed and waterproof. Each includes a fresh, no-drip, no-leak valve.
