

STONE MATE

Stone Cleaner & Protectant

This cleaner and protectant is the professional's choice for fine polished natural stone surfaces including furniture, counters, walls, columns, basins, tables, etc. It effectively treats natural stone polished surfaces such as Marble, Granite, Limestone, Travertine, Terrazzo, Caesarstone, Silestone, Zodiac Stone, and other solid surfaces. It is even effective on man-made materials such as Corian, Ceramic and Porcelain. Non-acidic, non-alkaline, colorless with a light scent, it carefully cleans and enhances polished surfaces as it helps protect against staining, moisture penetration and wear. Fortified with UVX & SFX to provide UV and antistatic protection. 360-degree valve allows for convenient spraying in any position. Apply regularly to remove dust, increase water repellency, improve luster and to protect surfaces.

*Note: Not categorized as flammable per USA CPSC Flame Projection Test.
