# These Wipes Deserve a Hand!

WAXIE Wipes combine the performance of industrial and institutional strength formulas with top quality, self-dispensing towels for a truly superior and convenient cleaning system.

Our heavy-duty formulas utilize a dual-sided, reinforced towel with abrasive scrim on one side and soft absorbent material on the other. Remove stubborn deposits, use it over and over – it's one tough towel. Turn it over and clean plastics and

other soft surfaces without fear of scratching or scarring. They are so gentle they are ideal for cleaning hands as well as surfaces.

Our lighter duty formulas utilize a high-density natural/synthetic blend towel, which feels like cloth and holds up under the most extreme use. These premium, lint-free wipes treat glass, fine furniture, marble, soft plastics and more with the best of care.
