Dispenser Free Portable Dilution Control

**WAXIE**   
green™

**WAXIE** ®  
SANITARY SUPPLY

The Most Trusted Name In Clean. Since 1945.

## Keep it clean with WAXIE-Green™

WAXIE-Green™ Premeasured Packets are simple, easy-to-use, dissolvable cleaning packets that provide a powerful punch to dirt. Safe and effective chemistry is packed into each packet of product to deliver the economic benefits of a dilution control system which is portable and doesn't need a wall-mounted dispenser.

All ingredients are biodegradable in the environment and wastewater sewage treatment plants. In addition, they are non-butyl, non-corrosive, non-flammable, phosphate free and petroleum-free.

With the exception of WAXIE-Green Powdered Detergent/Disinfectant, all products are EPA Safer Choice Certified, non-toxic and contain no harsh acids\*. Products are VOC compliant and contain no SARA 313 reportable chemicals as well as no components\*\* known to the State of California to cause cancer, birth defects or reproductive harm.

Best of all, this dispenser-free portable dilution control packets can significantly reduce packaging waste and the need for extra storage space—for example, each tub of cleaning concentrate packets for bottle-fill applications in the WAXIE-Green Pre-Measured Packet offering can make the equivalent of 20 gallons (or 5 cases) of ready-to-use cleaner!

WAXIE-Green™ Premeasured Packets prove that good things *really do* come in small packages.

\* WAXIE-Green Floor Conditioner & Neutralizer, WAXIE-Green Window Cleaner and WAXIE-Green Restroom & Bowl Cleaner contain citric acid

\*\*At significant levels

**COLOR-CODING:** The WAXIE-Green Premeasured Packet chemicals come in multiple colors, based on the area-of-use. When combined with the same color microfiber and the proper secondary label, you can develop an intelligent cleaning system for each space so you know what you're using at all times.

# How does it work?

WAXIE-Green™ Premeasured Packets are an easy way to accurately dilute concentrates by simply adding a self-dissolving packet of powerful powder concentrate into water. These cleaning products are offered in both bucket and quart bottle fill options and are simple, easy-to-use, and highly effective. Drop them into the appropriate area (bucket, toilet bowl, autoscrubber, 32-ounce quart bottle, WAXIE Fast Glide™ Mopping System, washing machine, etc.) and the water-soluble packet will dissolve completely. The products are formulated to mix rapidly with water to provide effective cleaning at the right concentration.

Product Uses		
	WAXIE-Green™ Neutral Cleaner	For: lightly soiled hard floors, including: marble, terrazzo, asphalt tile, ceramic tile, granite, synthetic floors, poured surfaces, concrete, linoleum, etc.
	WAXIE-Green™ Bowl Cleaner	For: all toilet bowls
	WAXIE-Green™ Restroom & Bowl Cleaner	For: all toilet bowls, countertops, sinks, fixtures, showers, partitions, door handles, etc.
	WAXIE-Green™ Window Cleaner	For: glass, mirrors, stainless steel, etc.
	WAXIE-Green™ All-Purpose Cleaner/Deodorizer	For: stainless steel, chrome, porcelain, quarry tile, terrazzo, marble, concrete, ceramics, painted surfaces, etc.
	WAXIE-Green™ Extra-Strength All-Purpose Cleaner	For: heavily soiled or oily surfaces, washable surfaces, countertops, walls, vinyl furniture, glass, windows, mirrors, stainless steel, etc.
	WAXIE-Green™ Floor Conditioner & Neutralizer	For: floors, carpets, etc.
	WAXIE-Green™ Laundry Detergent	For: laundry
	WAXIE Powdered Detergent/Disinfectant	For: all light to medium soiled surfaces, washroom fixtures, countertops, toilet bowls, stainless steel, drinking fountains, mirrors, painted walls, phones, ashtrays, garbage cans, etc.

## WAXIE-Green™ Neutral Cleaner

*EPA Safer Choice Certified*

Designed for routine maintenance on most floors. Removes soil from heavy-traffic areas. Protects floor finish. Ideal for a wide variety of surfaces, including terrazzo, marble, slate, vinyl, asphalt, ceramic and quarry tile. For bottle fill: add one 1.5-gram packet to spray bottle or one 1.5-gram packets per WAXIE Fast Glide™ Mopping System tank and fill with warm water. Pine scent.

2-90/0.5 oz/cs

322469 tb/cs

Bottle Fill

4-90/1.5 g/pk

## WAXIE-Green™ Bowl Cleaner

*EPA Safer Choice Certified*

Professional-strength daily bowl cleaner with a pleasant herbal, floral fragrance. Breaks down lime-scale and urinary salts with high foaming action. Use one 0.5-ounce packet per bowl.

1031990 tb/cs

Bowl Fill

2-90/0.5 oz/cs

## WAXIE-Green™ Restroom & Bowl Cleaner

*EPA Safer Choice Certified*

Convenient water-soluble packets for quarts. Ideal for daily restroom cleaning and bowl maintenance. Fresh herbal scent, non-corrosive restroom and bowl cleaner. One 3.5-gram packet makes one quart.

1031993 tb/cs

Bottle Fill

4-80/3.5 g/pk

## WAXIE-Green™ Window Cleaner

*EPA Safer Choice Certified*

Concentrated glass cleaner that leaves surfaces free of streaks, soils, smudges, and grease. Use on glass, mirrors, stainless steel, chrome, porcelain and lightly soiled surfaces. One 1.5-gram packet makes one quart.

951215 tb/cs

Bottle Fill

4-80/1.5 g/pk

## WAXIE-Green™ All-Purpose Cleaner/Deodorizer

*EPA Safer Choice Certified*

Concentrated, lemon scented powdered detergent quickly dissolves in water. Use on surfaces ranging from stainless steel and chrome, to porcelain, quarry tile, terrazzo, marble, concrete, ceramics, and painted surfaces. Use one 0.5-ounce packet per 3-gallons of water. Use lower dilution for easier cleaning jobs.

322280 tb/cs

Bucket Fill

2-90/0.5 oz/cs

322282 drum

Bucket Fill

400/0.5 oz

## WAXIE-Green™ Extra-Strength All-Purpose Cleaner

*EPA Safer Choice Certified*

Heavy-duty, all-purpose cleaner and degreaser. Non-flammable, non-corrosive, non-toxic, biodegradable, moderate-sudsing industrial cleaner. Removes oils, dirt, grease, grime, tar, rubber marks, ink, coffee, and blood. One 3.5-gram packet makes one quart. Add two 3.5-gram packets per WAXIE Fast Glide™ Mopping System tank and fill with warm water.

320251 tb/cs

Bottle Fill

4-80/3.5 g/pk

## WAXIE-Green™ Floor Conditioner & Neutralizer

*EPA Safer Choice Certified*

Neutralizes alkaline residue after floor stripping for better floor finish application and sealing. Counteracts urine odor in restrooms. Use on floors and carpets to remove ice melt residue and brown water spots left by hard water. Eliminates dulling, discoloring, and hazing. Use one 0.5-ounce packet per 3-gallons of water.

320250 tb/cs

Bucket Fill

2-90/0.5 oz/cs

## WAXIE-Green™ Laundry Detergent

*EPA Safer Choice Certified*

Low-foaming concentrated detergent that cleans, brightens, and freshens. Contains an enzyme system that removes microfiber "pilling" and restores fabric color. Fresh lemon scent. Add packet to washer while filling with water. After water-soluble packet dissolves, add clothing. Use 1 water-soluble packet per 16–20 pounds of laundry. Add two packets for larger loads, heavy soil or in hard water conditions. For high efficiency (HE) machines, use 1 soluble packet per 20–25 pounds of laundry. NOTE: This laundry detergent cleans all washable synthetics, colors, whites, cottons, and permanent press fabrics. Because of the heavy-duty composition, it is not recommended for use on silks or woolsens.

530990 drum

250/1.2 oz/cs

## WAXIE Powdered Detergent/Disinfectant

Cleans, disinfects, and deodorizes in a single step. At the stated disinfection dilution rate, this product exhibits effective disinfectant activity against the organisms: *Pseudomonas aeruginosa* PRD-10, *Escherichia coli* (E. coli), *Klebsiella pneumoniae*, *Salmonella* (schottmuelleri) enterica, *Salmonella* (choleraesuis) enterica, *Brevibacterium ammoniagenes*, *Streptococcus faecalis*, *Shigella dysenteriae*, *Staphylococcus aureus* (staph), *Enterobacter aerogenes* and meets all requirements for hospital use. At the disinfectant dilution rate, this product is also fungicidal against the pathogenic fungi, *Trichophyton mentagrophytes*. This product, when used on environmental, inanimate, hard surfaces at the disinfectant dilution rate, exhibits effective virucidal activity against HIV-1 (AIDS) Virus, Influenza A2 Virus, Parainfluenza Virus Type 1 (Sendai), Canine Distemper Virus, Feline Pneumonitis, Vaccinia virus (VACV), Herpes Simplex virus Type 1, Hepatitis B Virus (HBV), Hepatitis C Virus (HCV). This product has demonstrated effectiveness against Influenza A virus and is expected to inactivate all Influenza A viruses including Pandemic 2009 H1N1 Influenza A Virus. Fresh lemon fragrance. Designed specifically for hospitals, nursing homes, and other institutions. pH neutral cleaner-deodorizer-disinfectant-fungicide. One 0.5-ounce (14 g) packet per gallon (3.8 L) of water; one 0.2-ounce (5.75 g) per 52-ounces of water. One 0.12-ounce (3.5 g) per quart of water. Add two 0.2-ounce (5.75 g) packets or two 0.12-ounce (3.5 g) packets per WAXIE Fast Glide™ Mopping System tank and fill with warm water. EPA registration #1839-93-14994.

**COLOR-CODING:** Reduces the risk of cross-contamination by identifying use in different departments and surface areas. Choose the right color for your cleaning products.

Each tub of WAXIE-Green bottle fill premeasured packets can make the equivalent of 20 gallons (or 5 cases) of ready-to-use cleaner!"

## Microfiber Bucketless Mopping System

### WAXIE Fast Glide™ 18" Mopping System

Tired of carrying around a mop bucket or wringing out soggy mop pads? Move your daily mopping routine to the next level!

Works in any application from house cleaning and maintaining gymnasiums, to cleaning hospitals. It is ideal for cleaning areas where conventional buckets and wringers are impractical.

This all-in-one mopping solution features a removable translucent dispensing bottle with a wide opening for easy filling with fill level markers in both ounces and milliliters. The click-on/click-off flow actuator function on the handle works like a ball point pen to reduce hand fatigue – no need to continually squeeze the trigger to dispense product – and the all-stop ball valve ensures a positive-on and positive-off flow control.

Complete 18" System  
651814 each

Includes: 16" hook-and-loop frame, 32-ounce dispensing bottle, and 54" handle.

## What does EPA Safer Choice Certified mean?

The U.S. EPA is a federal government agency whose mission is to protect human health and the environment. Safer Choice (formerly known as EPA Design for the Environment or DfE) is the U.S. EPA's label for safer chemical-based products and has advanced the EPA's mission to protect human health and the environment since the early 1990's. The program uses EPA's chemical expertise to carefully review products and to label only those that have met the program's highly protective Standard for the Safer Choice Label and stringent criteria for safer chemical ingredients.

By allowing use of the label on products, EPA empowers consumers and commercial purchasers to choose safer chemical products that do not sacrifice quality or performance and that are safer for people and the planet. Safer Choice labels a wide variety of chemical-based products for the institutional maintenance, jan-san, and consumer cleaning markets .

A professional in the cleaning industry can rely on EPA's Safer Choice standards to specify and source third-party recognized products that have a more sustainable profile. EPA certified safer products in the categories of general-purpose cleaners, floor and carpet care products, hand soaps, specialty cleaners, and laundry care products help a facility reach its overall sustainability goals, and contribute to LEED O+M certification for the building or CIMS-GB certification for the cleaning service provider.

For more information on EPA's Safer Choice program, please visit [www.epa.gov/saferchoice](http://www.epa.gov/saferchoice).
