

# Multi-Surface Quat Alcohol Cleaner Disinfectant Wipes

## Excellent Performance and Versatility.

### Efficacy

- ✓ 2-minute kill claims on most prevalent HAI-causing bacteria found in healthcare settings
- ✓ Effective against **Norovirus\***

### Efficiency

- ✓ Uses fewer wipes to keep a surface wet for the required contact time vs. a leading competitor†

### Versatility

- ✓ Appropriate for everyday use on a broad range of surfaces and equipment found in healthcare environments

## Faster and Better Cleaning Performance on Blood vs. Competition
