

## City of Tucson Contract #202329-01

Janitorial, Packaging,  
Food Service Disposables,  
Equipment & Related Services

Cooperative purchasing utilizes a lead agent to competitively bid a master agreement that contains language allowing it to be utilized by government agencies, education, and non-profit. Using a master agreement for sourcing products provides many benefits to rostered members that include:

- Money savings
- Time savings
- Limited need for personnel to run and review solicitations
- Ability to obtain higher quality products
- Expertise on the solicitation process
- Lower prices due to volume of members
- Convenience
- Well written and reviewed T&C

## OMNIA PARTNERS Master Agreement Solicitation Process

The lead agent competively solicits national master agreement for use by public agencies

The solicitation is advertised nationally for a minimum of 30 days

The solicitation has language that allows “piggybacking” for states whose laws allow intergovernmental contract use

The lead agent evaluates the responses and awards contracts
