¹ The exact percentage of composition has been withheld as a trade secret. All relevant physical and health hazards have been declared, in accordance with regulatory requirements.

SHELF LIFE: All WAXIE brand chemical products have a guaranteed shelf life of up to one year after the date product was manufactured, when stored in ambient conditions. The actual manufacturing date is included in a date code on every product container.

DIRECTIONS FOR USE

Flush bowl before cleaning. For routine cleaning, add one packet to bowl. Foam will appear within seconds. When foam covers water surface, swab bowl inside and out, devoting special attention to underside of rim, water outlets, and lower area. For maximum cleaning, allow WAXIE-Green Bowl Cleaner to remain in bowl as long as possible before flushing.

NOTE: Do not remove packets from container before use. Do not handle packets with wet hands. Reseal container after removing packets. Do not mix with any other cleaning products, especially bleach products as this may cause a reaction that emits chlorine gas.

DILUTION RATIO: 0.5 oz/bowl.

Item: 1031990 2-90/0.5 oz/cs
Secondary Label: 1031990LBL

APPLICATION

FEATURES & BENEFITS

- Highly concentrated
- Cost-effective
- Simple, easy-to-use, water-soluble packets
- Portable premeasured dilution control
- Decreased product and packaging waste
- All ingredients are biodegradable
- Non-butyl, non-corrosive, non-flammable, phosphate free and petroleum free
- Non-toxic

PRODUCT REGISTRATIONS & CERTIFICATIONS

- EPA Safer Choice Certified
