SHELF LIFE: All WAXIE brand chemical products have a guaranteed shelf life of up to one year after the date product was manufactured, when stored in ambient conditions. The actual manufacturing date is included in a date code on every product container.

DIRECTIONS FOR USE

1. Rinse, scrape or soak all items before washing.
2. Fill first compartment with solution from the mounted dilution control system.
3. Wash items, using a brush, cloth or scrubber to loosen and remove soil.
4. Replace the detergent solution when the water appears dirty.
5. Rinse the washed items in the second compartment and sanitize in the third compartment.

DO NOT MIX WITH CHLORINE BLEACH TO AVOID IRRITATING FUMES.
