Solubility	Completely soluble in water	Completely soluble in water

### ACTIVE INGREDIENT:

Phosphoric Acid ..... Proprietary<sup>1</sup>

**OTHER INGREDIENTS:** ..... Balance

<sup>1</sup> The exact percentage of composition has been withheld as a trade secret. All relevant physical and health hazards have been declared, in accordance with regulatory requirements.

**SHELF LIFE:** All WAXIE brand chemical products have a guaranteed shelf life of up to one year after the date product was manufactured, when stored in ambient conditions. The actual manufacturing date is included in a date code on every product container.

## DIRECTIONS FOR USE

Wear safety goggles and Nitrile, Neoprene, PVC or Latex gloves for your protection when handling this product. **Showers Stalls and Heavy Cleaning:** dilute with 2 parts water (1 ounce of WAXIE BathBrite to 2 ounces water) or use full strength to accumulations. Apply with a cloth, sponge or brush and keep surface wet for a few minutes. Agitate lightly with a brush and rinse. **Bathroom Fixtures and Light Cleaning:** Dilute with 4 parts water (1 ounce WAXIE BathBrite to 4 ounces of water). Apply with a cloth, sponge or brush; agitate as needed and wipe dry. Rinse. Replaces scouring powder. **Interior of Toilet Bowls and Urinals:** Push excess water from bowl. Swab with full-strength WAXIE BathBrite. Flush and rinse. **NOTE:** Do not place container on Formica or any other porous surfaces. For every old surfaces test a small, inconspicuous area to determine if glaze or enamel surface is removed. If so, discontinue use immediately.
