

WAXIE Sparkle Glass & Surface Cleaner

DESCRIPTION

This versatile, extra-strength product is the ONE product for even the toughest glass cleaning applications. Windows, glass, windshields, mirrors, displays are easily cleaned of dirt, oil, smudges, fingerprints, lipstick, and other stubborn deposits. The advanced chemistry provides professional quality cleaning without streaking, smearing, hazing, or leaving behind any residue or film. The special formulation is pleasantly fragranced and has a stable foam consistency that breaks quickly and easily when wiped. There is no “pushing around excess foam” since the optimum economic yield is dispensed. Can be used on O.E.M. tinted windows. Not recommended for after-market tints. Always test first in an inconspicuous spot.

SHELF LIFE: All WAXIE brand chemical products have a guaranteed shelf life of up to one year after the date product was manufactured, when stored in ambient conditions. The actual manufacturing date is included in a date code on every product container.

DIRECTIONS FOR USE

SHAKE WELL BEFORE EACH USE. WILL NOT SPRAY WHEN COLD.

Remove protective cap—hold dispenser upright. Point valve opening toward window or glass to be sprayed, holding about 8 to 12 inches away. Press button—spray on fine mist and wipe clean. For best results, polish with a lint-free, cotton cloth. Unplug energized electrical equipment prior to use. Not for use on non-glass flat panel TVs.

Item: 950151

Net Weight: 19 oz. in 20 oz. can 12/cs

APPLICATION

FEATURES & BENEFITS

- High foaming
- Long lasting vertical cling
- No streaking
- No ammonia
