

The San Diego Union-Tribune Names WAXIE Sanitary Supply a Winner of the San Diego Metro Area 2015 Top Workplaces Award

November 11, 2015

FOR IMMEDIATE RELEASE

SAN DIEGO, CA – WAXIE Sanitary Supply has been awarded a 2015 [Top Workplaces](#) honor by The San Diego Union-Tribune. The Top Workplaces lists are based solely on the results of an employee feedback survey administered by [WorkplaceDynamics, LLC](#), a leading research firm that specializes in organizational health and workplace improvement. Several aspects of workplace culture were measured, including Alignment, Execution, and Connection, just to name a few.

“The Top Workplaces award is not a popularity contest. And often times, people assume it’s all about fancy perks and benefits.” said Doug Claffey, CEO of WorkplaceDynamics. “But to be a Top Workplace, organizations must meet our strict standards for organizational health. And who better to ask about work life than the people who live the culture every day—the employees. Time and time again, our research has proven that what’s most important to them is a strong belief in where the organization is headed, how it’s going to get there, and the feeling that everyone is in it together. Claffey added, “Without this sense of connection, an organization doesn’t have a shot at being named a Top Workplace.”

“We are so proud to earn this award and it is a great way to conclude our 70 year celebration,” remarked Charles Wax, Chairman and CEO of WAXIE Sanitary Supply.

“We want to thank our employees for making WAXIE such a special place to be a part of,” said Jeff Roberts, President and COO of WAXIE Sanitary Supply. “Our people are our most valuable resource and they prove this every day and with every interaction they have with our customers. What makes us different from our competition is our people’s passion, drive, commitment and willingness to serve others.”
