

Grouted Tile Maintenance System

GROUT
REJUVENATOR
HD CLEANER
RESTORER

ITEM #324044

GROUT RESCUE

HEAVY-DUTY formulation removes ground-in grime, soap scum, body oils and mildew. Technology provides for incredible cleaning power on both sides of the pH scale, simplifying the process of cleaning tile & grout on floors and walls in restrooms, showers, kitchens and wherever grout and tile require heavy-duty cleaning power. Ideal for ceramic, quarry, brick pavers, slate and granite. Non-fuming, easy-to-use formula. Concentrated cleaning power. Product also contains malodor counteractant formulated to tackle tough restroom odors.

The total grouted tile maintenance solution

Features

Advantages

Benefits

Inorganic mineral acid formula	Acid breaks down water scale, soap scum, soils and body fluids while “lifting” it out of grout.	Safer effectively formula that tackles all types of soils.
WAXIE’s exclusive proprietary surfactant package for maximum cleaning effectiveness	Safe for use on all grouted tile floors as maximum power with inhibitors to prohibit lime breakdown in grout.	Blasts through soil buildup and eliminates the dangers of using other harsh products, and wasting time
Colorless solution	Contains no dye to affect grout.	Will not stain grout or carpet if it comes in contact with it.
Concentrated 1:7 – 1:32 dilution (BEST IN CLASS)	Can be used for periodic heavy cleaning or more frequent maintenance.	Versatile product- Can be used to deep clean or maintain grouted tile floors
Malodor counteractant package with wild berry fragrance	Tackles tough odors, while providing a pleasant clean-room fragrance.	Eliminates the odor at the source, leaving the room smelling fresh and clean
Low foam	Can be easily recovered with vacuum recovery systems.	No special equipment needed.
Meets ASTM D2047 method for slip resistance	Provides a safe, slip-resistant surface.	Helps to reduce the potential for slips and falls.
