CLEAN & SOFT™ NO-TOUCH TOWEL SYSTEM

CLEAN & SOFT™ NO-TOUCH TOWEL SYSTEM
These high-capacity dispensers hold one 900’ roll, plus a stub roll so the dispenser is filled less often. The see-through cover lets you know when to refill without opening the cabinet.

The unique towel transfer mechanism allows for full use of the stub roll, so the dispenser never runs out of paper.

No-touch dispensing is more hygienic and reduces the spreading of germs as the user only touches the towel and not the dispenser.

CLEAN & SOFT™ DISPENSERS
Provide a combination of quality and price with the consistent performance you’ve come to expect from all WAXIE products.

Our full line of towel and tissue dispensing products feature:

• Easy loading and labor saving benefits
• Locked and secured cabinets to prevent waste and pilferage
• Transparent covers show the status of the roll at a glance
• Continuous paper flow technology eliminates stub roll waste

Holds one 900-foot roll plus a stub roll up to 200-feet
Towel transfer system automatically transfers to a new roll when the stub roll runs out
Equipped with emergency feed “one-way” turn knob
Removable mechanism for maintenance or cleaning

Locking cabinet
Clean & Soft™ No-Touch Towel System

**HYGIENIC, LABOR SAVING, CONSISTENT PERFORMANCE**

**Electronic No-Touch Dispenser**
- ADA-compliant, hygienic touchless dispensing
- Adjustable dispensing from 10”, 12” & 14” lengths
- Paper saver mode deducts 2.5” or 5” from second towel
- Automatic stub-roll transfer reduces waste
- Uses 4 “D” cell batteries (included)
- 10.5”Wx15.75”Hx8.75”D
- 850554 each
- D Alkaline Battery
- 791218 carton 12/ea

**E-Z Touch System Towel Dispenser**
- Heavy-duty, ADA-compliant with easy-to-use push hygienic lever dispensing; off-white/smoke color
- Wide lever is hygienic; it comfortably fits the palm of your hand so that your fingers never need to touch the dispenser to get a towel
- Adjustable dispensing from 3.5” to 5” lengths; automatic stub-roll transfer reduces waste
- Dispenses all No-Touch towels.
- 11.8”Wx15.2”Hx9.8”D
- 850632 each

**No-Touch Towel Dispenser**
- ADA-compliant, hygienic touchless dispensing
- Automatic stub-roll transfer reduces waste
- Dispenses one 12” towel per pull
- Locking cabinet prevents pilferage
- Attractive exterior and see-through smoke cover, water resistant
- 12.25”Wx15.5”Hx9.5”D
- 850557 each

**No-Touch White, Natural & Green Seal Towels**
- White towel is soft and absorbent
- Natural towel offers a blend of quality and economy

#8900 WAXIE-Green White No-Touch System Roll Towel, Green Seal GS-9 Certified, 900’/rl, 5,400’/cs 850075 case 6/cs

#3900 White No-Touch Roll Towels, 7.75”Wx7.75”D, 900’/rl, 7,200’/cs 850555 case 8/cs

---

Recycle Symbol

Products in this section with WAXIE item numbers followed by this symbol conform to the U.S. Environmental Protection Agency’s Guideline for procurement of paper and paper products for minimum post-consumer waste content as follows: towels 40%, bathroom tissue 20% and facial tissue 10%. For more detailed information contact your WAXIE Sanitary Maintenance Consultant.
Did You Know?

* Use of post-consumer fibers reduces the impact on landfills by saving 3.3 cubic yards of space for every ton of paper that is rechanneled
* Every ton of 100% recycled paper saves an estimated 4,100 kilowatt-hours of energy, 7,000-gallons of water and 60-pounds of air pollutants
* If all paper towels were made with 100% recycled materials, approximately 1 million tons of used paper would be kept out of our waste stream
* If recycled materials were not used to manufacture bathroom tissue, 3.5 tons of virgin wood would be needed in order to manufacture one ton of bathroom tissue

* Green Seal’s *Choose Green Report*, March 2004

WAXIE-Green Paper Products

100% Recycled Paper - Green Seal™–Certified
- 65% post-consumer recycled content
- 35% post-industrial recycled content
- Exceeds EPA Comprehensive Procurement Guidelines for post-consumer recycled content
- Processed chlorine free

Packaging
- Boxes 40–45% percent recycled content
- Wraps 75–100% percent recycled content
- Cores 100% percent recycled content
- Environmentally preferable dyes and inks
WAXIE-Green products offer a compelling combination of performance, price, health and safety, along with an environmentally preferable profile.

MAKE YOUR RESTROOM “TOUCH-FREE”

BENEFITS OF A TOUCH-FREE RESTROOM
WAXIE offers a variety of state-of-the-art touch-free systems that improve hygiene and help prevent the spread of germs in public restrooms.

Touch-free restrooms are easier to clean, which reduces labor costs. Controlled dispensing systems reduce paper and water usage, which lowers supply costs and conserves natural resources.

Contact your Sanitary Maintenance Consultant for additional information, or to learn more about other touch-free systems from WAXIE.
