

WAXIE External Disaster Preparedness Program

In case of Emergency please call the NASPO contract Administrator

Amanda Parent 949-294-2400

WAXIE has been operating since 1945 and over those nearly 75 years we have come to the assistance of our federal, state, and local government and private sector customers in a variety of ways. These are the things we have in place internally to help your organization when disaster strikes.

1. Your single point of contact is your contract administrator NASPO's is Amanda Parent 949 294 2400 aparent@waxie.com. Back up is Joe Giustiniano 858-776-5376 jgiustiniano@waxie.com
2. You may purchase supplies on an emergency basis on account or credit card. If you are using a "special" credit card please let us know so the charge does not go against an existing account card.
3. Be prepared to let us know if we can delivery to a current ship to or if an alternate delivery site is required.

Products can be ordered via our web at work system any time of day, the site is rarely down for maintenance. If convenient make your order on web at work and call the emergency contacts above to have the order expedited.

WAXIE will consider delivering during nonbusiness hours if supplies are critical to remedying an emergency.

Things WAXIE can provide:

1. Disinfectants and sanitizers. Hospital grade and in many different concentration with and without dilution control. Portion controlled packeted products are also available and may be best for emergencies.
