Federal Government Contract Supplies

Working with Southeastern Paper Group has never been easier!

As a GSA Contract Holder that is TAA compliant, SEPG delivers products to government agencies and personnel who serve and protect, whether at home or abroad. With more than 25,000 stocked products primarily made in the USA, we have what you need and can deliver anywhere and anytime you need it.

In addition, we work with over 500 vendor partners and have the capability to ship domestically and internationally. We are continually expanding our delivery capabilities to support more government customers around the world.

GSA Schedule Benefits

Our partnership with the General Services Administration and our GSA schedule allows us to offer qualifying government customers:

- Over 700 products on GSA schedule across janitorial supplies, food service disposables, and packaging equipment and materials
- Products available from national brands and industry-leading vendors
- Pre-negotiated competitive prices to achieve procurement goals

About Us

Founded in 1969, Southeastern Paper Group is a distributor of facility supplies, food service disposables, and industrial packaging materials and equipment. We focus on delivering the lowest total cost solution to government customers.

Our consultative sales approach, high-quality product offerings, and just-in-time service capabilities allow us to deliver cost savings and value to help our nation's professionals fulfill their duties and mission.

We are proud to continue supporting government agencies, our men and women in uniform, and their families.

Explore your facility supply options.

Training | Safely and effectively clean and disinfect surfaces to provide a clean and safe learning environment for students and staff.

Barracks & Lodging | Effectively and efficiently clean, disinfect, degrease, and deodorize surfaces to provide a clean and fresh experience for personnel and visitors.

Dining Facilities & Food Service | Degrease and sanitize food prep areas, glassware, utensils, processing equipment and machinery.

Maintenance | No matter the surface or cleaning challenge, get the job done quickly, effectively, and on-budget with a range of cleaning chemicals and equipment solutions.

Administrative Facilities & Offices | Achieve a clean, healthy, green, and safe building environment while also meeting governmental executive orders.

Post Exchange | Clean, disinfect, and deodorize surfaces throughout your space to provide a welcoming experience for shoppers.

Healthcare & VA Hospitals | Provide a clean and healthy environment for patients, staff, and visitors which has been effectively cleaned, sanitized, and disinfected with hospital-grade chemical solutions.

Morale, Welfare, and Recreation Centers | Deliver a clean, healthy, and sanitized space to ensure military employees can enjoy recreational activities.
