

WAXIE Backpack Vacuums

Increase Productivity | Reduce Costs

Great for schools, office buildings, hospitals and high traffic areas

WAXIE 6-Quart & 10-Quart Backpack Vacuums with HEPA Media Filtration

Vacuum faster with the **WAXIE 6-Quart & 10-Quart Backpack Vacuums with HEPA Media Filtration**. Extremely high air-flow speeds your cleaning, increasing productivity, reducing costs and effort. Great for use in schools, office buildings, hospitals and high traffic areas, highly effective in removing fine dust and particles embedded deep in the carpet fibers. WAXIE Backpack Vacuums have a motor that has thermal protection. If under any circumstances the motor exceeds its working temperatures the vacuum will shut off until it cools. This eliminates any chance of motor damage.

The **WAXIE 6 Quart & 10 Quart Backpack Vacuums with HEPA Media Filtration** come complete with the following tools: 2-piece S-bend 54" wand, paper filter bag, 3" round horse hair dust brush, 14" nylon floor brush, Z-glide floor tool, 5" upholstery tool, 11" crevice tool and a 50' Ultra-Glide cord.
