

## ***TO DISINFECT, A SURFACE MUST BE CLEANED***

COVID-19 has put the focus on the importance of disinfecting every area of homes and businesses.

The rush to disinfect, however, sometimes causes us to overlook the fact that disinfecting must always be preceded by a thorough cleaning.

Please remember that WAXIE offers a wide range of outstanding products that get the job done and pave the way for effective and thorough disinfecting. Below are 20 of our top-selling floor mopping and sweeping products and a link to all of our products on our website.
