

Coffee Station Supplies and Accessories

WAXIE Guest Room Amenities & Office Breakroom Solutions

Get Your Caffeine Fix Here!

WAXIE has everything you need to keep your facility clean, comfortable and well stocked for your guests and employees – and now that includes coffee too!

Your WAXIE Account Consultant can assist you in designing a comprehensive offering to outfit your guest rooms and employee breakrooms with delicious single-serve coffee, tea and cocoa pods in a variety of roasts and flavors – along with the associated coffee pod display caddies and brewers. Add in the creamers, sweeteners, hot cups and stir sticks your guests and employees are looking for to get their caffeine fix, and your coffee station is complete.

If you would like to create a coffee station which provides a welcoming space to your guests and employees to help get the day started, WAXIE has all of the coffee supplies and accessories you need. Please contact your WAXIE Account Consultant for additional options that may be available to enhance your overall guest room and breakroom supplies offering.
