WAXIE-Green™ Encapsulating Carpet Care System

Carpet Care That Cares About You!

Improve your indoor air quality and employee health and safety with the high-performance WAXIE-Green™ Encapsulating Carpet Care System.

This non-toxic, non-caustic system includes a Pre-Spray, Spotter, Bonnet Shampoo and an Extraction Cleaner that are each UL ECOLOGO Certified and have earned the Carpet & Rug Institute (CRI) Seal of Approval. UL ECOLOGO Certification provides third-party verification which means that these carpet care products have a reduced impact on human health and the environment. Both UL ECOLOGO and CRI Seal of Approval standards verify the effectiveness of the products .

This carpet care system is offered as a part of WAXIE GPS® Green Partner Support™, which is a comprehensive approach to assist customers in selecting products and processes to clean green. WAXIE GPS® identifies green cleaning products based on third-party certifications, performance and responsible packaging.

The WAXIE-Green™ Encapsulating Carpet Care System products are made of biodegradable surfactants and meet third-party environmental standards so your employees, and the planet, will be healthier and safer.

If those boots are made for walking these products will keep your carpets clean, green & fresh!

WAXIE-Green™ Encapsulating Carpet Extraction Cleaner

A concentrated cleaner that can be used with any type of carpet extraction equipment. Provides one pass cleaning and eliminates the need for rinsing. Compatible with high heat equipment, leaves no sticky residue, and will eliminate rapid re-soiling.

WAXIE-Green™ Encapsulating Carpet Pre-Spray

Perfect for heavily soiled traffic areas. Breaks down tough grease and dirt. For high powered cleaning, use in conjunction with WAXIE-Green Encapsulating Carpet Extraction Cleaner.

WAXIE-Green™ Encapsulating Carpet Spotter

Perfect for heavily soiled traffic areas. Breaks down tough grease and dirt. For high powered cleaning, use in conjunction with WAXIE-Green Encapsulating Carpet Extraction Cleaner.

WAXIE-Green™ Encapsulating Carpet Spin Bonnet Shampoo

Fast acting, quick drying bonnet/spin cleaner that uses encapsulating technology to bind the soil, which is then removed through daily vacuuming. Leaves no harmful residue. May be used with rotary and low moisture equipment.

Discover the WAXIE Difference

We have been the experts in clean since 1945 and we are committed to helping our customers keep their facilities cleaner, healthier, greener and safer.

We understand that you need to provide a clean, fresh, and healthy experience for visitors to your property at the lowest total cost. That's why we deliver innovative cleaning solutions along with your facility maintenance supplies, and combine them with industry-specific expertise and advice. Our goal is to create customized cleaning solutions to meet *your* specific needs, followed by ongoing training and support to help you achieve the healthiest building environment.

Whether it's an on-site consultation, a timely equipment repair, a bilingual training session, or an introduction to the latest laborsaving cleaning innovations and technology – working with WAXIE contributes to lower operating costs, enhanced public image and cleaner surfaces, all while helping you create the best experience for all of your building occupants.

Facility Supply Solutions

WAXIE has Inventory Centers strategically located throughout the Western United States to serve you. WAXIE is also a member-owner of NETWORK[®] a streamlined and collaborative collection of the best independent distributors in the world providing an efficient and integrated approach to servicing large account portfolios.

Please contact your WAXIE Account Consultant today to schedule a consultation.
