

# Are Smoke Smells Killing Your Vibe?

Get the WAXIE Smoke Away System!

**How Does the WAXIE Smoke Away System work?** WAXIE Solution Station 640 Smoke Away Natural Odor Eliminator has been developed to be used in conjunction with the WAXIE Dry Vapor Smoke & Odor Eliminator to completely and effectively eliminate all odors and leave the premises with a clean and fresh scent. The WAXIE Solution Station 640 Smoke Away Natural Odor Eliminator is great for use in any commercial environment wherever odors are a problem.

The WAXIE Solution Station 640 Smoke Away Natural Odor Eliminator chemical doesn't mask odors but rather bonds to and eliminates odor molecules while they are still in the air, as well as those odor molecules that have penetrated fabrics, carpeting and other surfaces that can harbor odors.
