SHELF LIFE: All WAXIE brand chemical products have a guaranteed shelf life of up to one year after the date product was manufactured, when stored in ambient conditions. The actual manufacturing date is included in a date code on every product container.

DIRECTIONS FOR USE

Steam Cleaner Rotary Shampooers: For extra strength jobs, add ¼ to ½ cup to every 2 gallons of solution. **Professional Spotting Procedure:** 1. Spray directly on stain. Let set for a minute or two. 2. Tamp with stiff brush – best not to agitate. 3. Transfer stain into clean rag by standing on rag 2 to 3 minutes. Sponge, rinse and blot. **Urine Stains:** Use above spotting procedure. If stain persists, follow up with tannin stain remover. **NOTE:** Always test first for colorfastness on small, inconspicuous area.
