

**John Horon Promoted to Director of Product Management for WAXIE Sanitary Supply**

FOR IMMEDIATE RELEASE

SAN DIEGO, CA—November 14, 2007—WAXIE Sanitary Supply, America's largest family-owned distributor of sanitary maintenance supplies, announces that John Horon has been promoted to Director of Product Management. In his new position John will be directing the day to day activities of the Product Managers while continuing his management of the category of Disposables.

John began his 25 year career with WAXIE in Santa Ana as an installer, and has held various positions along the way such as Inventory Analyst, Buyer, Purchasing Manager, Corporate Buyer, and most recently, Product Manager for Disposables.

Because of his tremendous work ethic and positive attitude, the company is confident that John will continue to make significant contributions as the Director of Product Management. John assumed his new position July 18, 2007.

WAXIE Sanitary Supply is America's largest family-owned distributor of sanitary maintenance supplies. WAXIE is an industry leader in the distribution of quality cleaning chemicals, equipment, disposables, and accessories to the building service contractor, school, hospitality, healthcare, military, government, industrial, and retail markets. Based in San Diego, the company consists of 700 dedicated professionals working out of Inventory Centers servicing the western United States including California, Arizona, Nevada, Utah, Idaho, Oregon, Washington and Colorado. Additional information about WAXIE Sanitary Supply may be obtained at [www.waxie.com](http://www.waxie.com).
