Network Services Company/WAXIE Awarded a National Cooperative Contract for Higher Education

SCHAUMBURG, IL, July 23, 2020 - Network Services Company (NETWORK®), a significant force in global distribution services, and WAXIE Sanitary Supply (WAXIE), the most trusted name in clean since 1945, are pleased to announce they have been awarded a contract for Janitorial Supplies and Equipment by **University of California**, made available by OMNIA Partners, Public Sector. This competitively solicited and publicly awarded contract can be leveraged by other public agencies while reducing procurement costs.

Operating as a complete solutions provider for University of California, NETWORK/WAXIE will provide Janitorial supplies and equipment which includes dilution control, green products, industrial paper and dispensers, private label products, carpet care, restroom care, waste receptacles, compactors, liners, machines and accessories, institutional and industrial laundry and kitchen, industrial tools and supplies and all other categories in NETWORK's full line of products and services.

"NETWORK is excited to partner with the University of California in this long term agreement and supply janitorial products and services nationwide. We recognize the multifaceted needs of higher-education institutions and look forward to offering our customized solutions to fit their facilities' needs." remarked Rebecca Barraza, Vice President, Business Development.

"WAXIE is pleased to participate in this versatile option for governmental agencies choosing to embrace the benefits of pre-vetted and approved contracts" says WAXIE President & COO, Jeff Roberts.

University of California, as the Principal Procurement Agency, has partnered with OMNIA Partners to offer this contract to other public agencies nationally, including state and local governmental entities, public and private primary, secondary and higher education entities, non-profit entities and agencies for the public benefit ("Public Agencies"), through OMNIA Partners' cooperative purchasing program. Documentation on the contract can be found on the [OMNIA Partners microsite](#). This newly executed contract is effective April 27, 2020, and includes options to renew through April 26, 2027.
