FOR IMMEDIATE RELEASE

SAN DIEGO, CA -- WAXIE Sanitary Supply, America's largest independently-owned distributor of sanitary maintenance supplies, is pleased to announce that Lee Jackson has been promoted to the position of General Manager for WAXIE's San Diego Division, effective immediately.

"We are proud of Lee's body of work and have confidence that he is the right person to lead this team forward now, and in the years ahead," said David Wax, Executive Vice President, WAXIE Sanitary Supply.

Lee began his career with WAXIE as a Sanitary Maintenance Consultant at the Portland location. He worked there for three years before moving to San Diego to become a sales manager in 2009.

During the last 4 ½ years Lee has demonstrated the ability to lead veteran sales consultants along with mentoring and developing "new arrivals" to the industry. In addition to Lee's natural ability to lead, he has an incredible rapport with WAXIE's customer base. Lee has established a presence in WAXIE's marketplace, which will serve him well as the San Diego General Manager.
